I DO NOT WANT THE FCC OR CONGRESS TO LIMIT THE SERVICES THATSATALITE RADIO PROVIDES AND I CHOOSE TO PAY FOR AND USE. I AM A TRUCK DRIVER AND TRAVEL 48 STATES AND CANADA. BEFORE XM RADIO A LOT OF MY ATTENTION TO DRIVING WAS DIVIRTED TO TUNING THE RADIO LOOKING FOR ANOTHER STATION I COULD PICKUP. WEATHER REPORTS AND NOW TRAFFIC REPORTS IN SELECTED CITIES IS VERY HELPFUL, I HOPE XM ADDS MANY MORE CITIES TO THIS SERVICE. IT IS MY VIEW THAT GOVERMENT HAS ALLREADY GIVEN LARGE BROADCASTERS ALL THE AVANTAGES THEY WANTED BY ALLOWING THEM TO BUY OUT SMALL LOCAL STATIONS AND SHIFTING THE BROADCAST TO CENTRALIZED LOCATIONS.
